## MESSAGE FROM THE PRINCIPAL

### Dear Students, Parents and Well-Wishers...

*All real change involves unfamiliarity and uncertainty, as we work to make sense of the change. Many times, change is welcomed and the challenge of making sense of it is enjoyed. With the spread of Covid-19, our familiar world has become unfamiliar in most unwelcome ways. This confuses us. We don't know how to respond, how to act, and often, when we work it out, change happens again. We are playing catch-up and this undermines our sense of confidence and agency. "There is more to us than we know. If we can be made to see it, perhaps for the rest of our lives we will be unwilling to settle for less." I cannot help but think of the words of the apostle Paul when he writes in 1 Thessalonians 5:18: "Give thanks in all circumstances; for this is the will of God in Christ Jesus for you".*

*At this juncture, we in SFS ICSE & ISC strongly believe that, now is the right time to do something extraordinary. Things that are pertinent and worthwhile to man, especially our youth. We are convinced that as we head out of this pandemic, we would emerge with an unusual power to change the world. Create a world of love and compassion. The scenario we are in is so crucial and significant that from the least to the most and from the mightiest to the smallest views and ideas does matter. Let us strive to make humanity and kindness our roadmap, guiding us to the wake of an epoch when we would be liberated from this combat, with this "flagrant foe – the Corona Virus".*

*Our school has continued to provide each of our students with a faith-based academic program, ensuring that they are being challenged to learn every day. We had success and challenges, yet despite all, we continued the work to fulfil all the educational needs of our students. I am very proud of our school which successfully transitioned to a distance and digital learning platform almost immediately. This would not have been possible without the hard work of our teachers and the leadership of our dedicated administration, who rose to this enormous challenge. Our faculty and staff are highly committed to providing the most rewarding education possible and making the process of learning an enjoyable experience.*

*Our parents have also contributed immeasurably to the success of this new digital learning environment. My sincere appreciation for your flexibility in responding so graciously to the changes we have had to make to ensure compliance. Thank you for being our partners in education. We shall work together to create an environment that facilitates learning through a wide variety of innovative and collaborative methods and activities. We look forward to make each and every child's educational experience a positive one.*

*At this moment I urge you to embrace the forthcoming days with enthusiasm, eagerness and positivity. Let us steer ahead borrowing the words of Catherine Pulsifer -*

*"But the good times I know  
Will outweigh the bad though  
And moving forward I can see  
I will be happy as I can be".*

With Gratitude and Good Wishes,

**Rev. Fr. A Jabamalai MSFS**

## *Dear Reader*

*Flipping through the pages of this issue, what comes through very clearly is that it has been another incredibly inquisitive and successful school year despite the onset of COVID – 19. In many ways, COVID – 19 has begun the process of preparing us for the future. We've been blessed with time to think, time to pivot and learn, time to assess who we want to be when we re-emerge from this pandemic. Flexibility and adaptability are the two key words that will be important to survive in the changing times.*

*Technology has been a boon for us as you witness this issue of Tharang 2020-21 in the form of E-magazine. We are really proud and exuberant to acclaim that we are ready with all new hopes and hues to bring out Tharang 2020 - 21 at your finger tips. I am sure it is going to unfold the unravelled precious school moments.*

*“Every secret of a writer's soul, every experience of his life, every quality of his mind, is written large in his works” – Virginia Woolf*

*The ability to use words to express innermost thoughts is priceless and it enables a child to explore their inventive creativity. SFS ICSE & ISC always encourages young writers to roam free in the realm of imagination and create a world of beauty in words. This magazine stands as an epitome of success and achievement of our students and school. My gratitude to each and every student and staff who have contributed in bringing out this exquisite artistry. I also applaud the members of Tharang Committee, the Faculty members and the Management for their sincere efforts in making this magazine endearing with our readers.*

*The beginning of good things is good the progress  
the better the end the best” - St Francis*

*Happy Reading!*

## CORONA WARRIORS

*Corona Warriors are those who helped us in this pandemic to fight with coronavirus (COVID-19). The corona warriors are not only the doctors and nurses, but also the police, teachers, and scientists, etc. Doctors did not worry about their lives and fought with the corona virus. Police did not allow anyone to come out of their houses to stop the spread of the virus while risking their lives. Teachers faced many difficulties teaching online. I give a big salute to corona warriors and thanks to them to help us in this difficult situation. I also wish and hope that everything becomes normal soon and the whole world becomes free from this deadly virus.*

We Lighted Our Diyas & Candles

And learned the worth of relationships

The value of happiness with contentment

We understood how insignificant we are before nature

We made through the difficult Year

## Parents are A Blessing !

*From the time I was a child,  
I have been blessed with strength and  
support  
of thine.*

*You have placed your trust in me,  
You have shown this love for me,  
In everything, you have done.

## A School Year Without A School Bag

*Ever imagined a school year without a schoolbag?  
Oh, my dear schoolbag, you were my best friend accompanying me  
You had the privilege of lying on my back from pre-KG to 2020  
You were my precious possession keeping all my school essentials safe.  
Neither curse nor praise; Sun or rain,  
You were my everlasting wealth...  
Oh! since June 2020, you are in rest mode, in the corner of my room  
I know you miss school like me!  
If not immediately, once again we will be united, we will be back to  
school together again.*

## Making Assumptions

Many of us seem to overlook and disregard others based on assumptions. A person should not be hasty in making assumptions and judging a situation or individual from what seems to be apparent. It is essential that a person assumes the best of his fellow being and gives him or her the benefit of doubt. If possible one should allow the fellow being to explain himself/herself as to clear any doubt one may have. A person should refrain from making false assumptions about anyone and strive for knowing the facts before arriving at any conclusion about him/her.

Fly high in high altitude  
Fly in and on the water  
Following the moon not very far  
Swimming in the sky for long  
Jumping from the plane with a daring Dong!

## PERSISTENCE LEADS TO SUCCESS

*The word persistence means to be persistent in any situation.  
Persistence leads to success indeed! as it teaches us to tolerate any circumstances, and focus on our goals.  
If we fail the first time, we should not be disheartened, as it makes us more knowledgeable with regards to our follies or mistakes. We should work on our setbacks.  
To, conclude this statement I would like to share that, persistence and perseverance make us stronger and helps us to overcome unwanted failures, and leads to success in the long run with the lap of time.*

## HAPPINESS

An emotion that makes you glitter

## SOLDIERS OF THE COUNTRY

*In rivers of blood and forests of guns,  
Fought for our great country the brave sons  
Where bullets fall like raindrops  
And the heart suddenly stops.  
With stars in their eyes  
Took bullets in the chest and said good bye  
Satisfied that the best, to their country they gave.  
With families to be fed, Children to be led  
They leave behind a sad crowd,  
And a Nation that is proud.....*

## CHOCOLATE CHEER

*Chocolates are so sweet.  
And, it is so good to eat.  
A little bit of sweetness,  
Can draw out, a whole lot of bitterness.  
It is loved by everyone,  
And, it's disliked by none.  
Eaten by all genders.  
That's the wonder!  
Different types of chocolates are available,  
In different types of labels.  
There is even an online game,  
Candy Crush is thy name.  
Coffee chocolates are my favourite,  
If you want to try, you can

## RISE FROM FAILURE

*Everyone has struggled with their circumstances,  
And decided to give up on the first try.  
All we need is to give it one more chance,  
And spread our wings wide to fly.  
Give your spirits a little lift.  
Just keep striving towards your goal  
And leave behind procrastination,*

## EXAMINATION HALL

*Examination Hall is like a cricket stadium,  
Where the student is the batsman,  
The teacher is the bowler,  
The marks are runs,  
The questions are the balls.  
The examination hall is the ground,  
The hard questions are those fast balls,  
The good answer is the best batting,  
Century is the distinction  
The zero mark is being bowled,  
The mark sheet is the score board,  
Caught during copying is run out,  
Parents are spectators,  
The question out of syllabus is no ball,  
The extra questions are off balls and wide balls,  
Scoring full marks are winning the 'MATCH'.  
First rank is the 'Man of the Match'.*

And become the person who you want  
For success isn't the award for being right,  
But for achieving the change that you desire to be  
Don't let the hurdles in life leave you in dismay,  
Learn from the never-ending process.  
Because anyway at the end of the day,  
Failure is what leads you to success.*

## A trip from Bangalore to Patna by car! !

It was a regular day during the pandemic coronavirus. It was September 18, 2020. We were bored sitting at home. For the past week, we were planning to go to our native place, Patna. My dad decided to travel by car as it would be a new and thrilling experience. Patna is about 2,064 km from Bangalore. We packed our bags and were ready to leave on Saturday. Our neighbour was also coming with us.

We started at 4 a.m. The first four hours went flying by, the road was good and at 8 a.m. we stopped at a small restaurant to have some tea. We had taken food from our home that could last the three-days trip. Our plan that day was to reach Nagpur (1,092 km) by 10 p.m. We were surprised that we had travelled the distance in 14 hours and had completed half of our trip. We took rest at my neighbor's friend's house in Nagpur. The next morning we left at 8 a.m. The road was very good as we were travelling in an expressway. That Sunday night we slept in a petrol bunk as we had carried our tents. The next morning we visited the temples nearby. I had my online classes which I attended while in the car. My dad decided to continue driving throughout the night!! We reached Patna at 8 a.m. It was a great and new experience on such a long trip.

## The most feared animal

We have all been to zoos and safaris, haven't we? When we go there, what captures our attention? Predators. It gives us a sense of power when we are in the atmosphere around a dangerous wild animal, which could easily overpower us if it weren't for our technology. But what is the most dangerous animal? Which is that creature whose very scent causes tigers and bears to run away? The answer is simple. The most feared animal is... human beings!

Sure, we may not eat all the animals, but we eat up their habitat, don't we? Some may argue while saying that a few animals have been blacklisted as 'man-eaters'. That may be true, however, we have eradicated our fellow animals by the species. The best example of this is the Tasmanian Tiger. This beautiful marsupial lived on the tiny island of Tasmania, which is just on the coast of Australia. Due to its large teeth and big mouth, we considered it as a threat and hunted it to extinction. In reality, the Tasmanian Tiger mainly hunted wombats. There are many other such examples. So, the next time you visit a zoo, ask yourself if the cage is to protect us from the animal or to protect the animals from us.

## One In a Million

*On the caring hand of a mother,  
Lay a lovely little daughter.  
Joy to the family, she had brought,  
Everyone's attention, she had caught.*

*Astute child, she grew up to be,  
Wild and ambitious dreams, she began to see.....  
Was laughed and mocked at, for her aims and desire,  
But never did her eyes stop letting sparks of fire.*

*To achieve, she toiled hard, day and night  
But never lost hopes or a fight,  
Always took resolute decisions.....  
And walked on the thorn-filled path, with good intentions.  
Adorned the walls of the house with medals and award,  
The Almighty had blessed her with this sweet reward.  
She was at the pinnacle of fame,  
The world, now, knew her name.*

*Praised and was wished good luck by the ones,  
Who laughed and mocked at her once,  
She was one in a million...  
And became an inspiration to billions.....  
Such is the wonderful tale,  
Of a clever and determined female,  
She believed in what they thought was Impossible,  
Because she knew that it was possible.*

## IF MONDAY WAS A PERSON.....

A feeling of dread crept up from the pit of my stomach. I was paralyzed to the spot, the menacing aura holding me in a tightening grip. Part of me wanted to run, yet I knew that I hadn't come this far to flee just yet. Fear became a tangible, living force that crept over me like some hungry beast, immobilizing me; holding my brain captive.

The dreadful Monday was fast approaching me. She was tall, thin, and pale as chalk with a gaunt immobile face. There were deep shadows under her protruding cheekbones and a mysterious evil glint in her eyes. She moved slowly and stealthily lurking mostly in the shadows and greeting everyone once in a while with a bright false smile which astonishingly felt more dangerous than her wide eyes which were as black as the night sky. I changed my mind about standing my ground and started running away but Monday caught up to me and greeted me with her sharp, falsetto voice.

Something snapped inside me on hearing that voice, I said, "Monday I know you want to be my friend because you come around and have continued to EVERY WEEK. I appreciate your efforts but I cannot bear

another moment with you.

Monday replied with a sad smile," Every new beginning comes from some other beginning's end. I know that no one likes me; from a student who resents me because they have to go to school after having such a glorious weekend to an employee who hates me because they have to slog hard for another whole week before they can rest again. There is no real reason for anyone to like me. But did any of you ever realise that none of this was my choice in the first place? You were the ones who made the rule that you would rest on Sundays and start working from Mondays. I am the beginning of a beautiful week, I am the beginning of some of the most memorable experiences you will have and I am also the beginning of many joyful endings. "She added with a sigh," Sometimes the hardest thing and the right thing are the same. " and stalked off leaving me shocked and dumbfounded.

## HAPPY WORLD

*Little shoes. Tearful eyes  
It was their first footstep in this big world  
And wow, what a mystical surprise!  
In that fairyland they twirled, joyfully they cried.  
Running the ground, with open shoelaces  
And then to their class-room returned.  
Who are friends, who thine enemies?  
Who thy loved ones? No one knows  
Teenagers they called them, filled with miseries  
And High School, a book of tragedies.  
Ego clashes, Winners and losers  
This World has all types of desires  
Be it the champion or the battalion

## THE GREAT CONJUNCTION OF SATURN AND JUPITER

Conjunctions are astronomical events that are very special. Some are frequent whereas some are very rare. When seen with bare eyes, the view is beautiful, more splendid when seen through a telescope. Such an event happened on December 21, 2020. A conjunction of Jupiter and Saturn. This very rare event happens once in about 400 years. The last one was in 1623. During Galileo's time. Scientists predict that the next one is expected in 2060, and then a long wait for another 400 years.

When this event happens, Jupiter and Saturn come close to each other, Earth also gets aligned in such a way that they all seem to be together. It was an ordinary day for me on December 21, I was watching T.V, when we learned about this event. We immediately got ready and went off to the Planetarium. The telescopes were taken out and people started to look at it. As I was a member of an astronomical hobby group, me and my family were allowed in the observatory dome. The view was amazing. I never thought that I would get a chance to stargaze from the observatory. The planets were way bigger than expected and even their moons were visible. This is one of my best and unforgettable experiences.

### THEN ..... AND NOW!

*Tiny little feet, with jingling anklets, and a tension-free mind – a little girl running all around, making drawings all over the walls of the house and teaching the plants in the garden imagining them as students imitating her mother who was a teacher! YES, that was me, when I was around 4-5 years old.*

*As I grew up, I was restricted to do many basic things which my friends were allowed to, like going to the terrace alone, roaming and playing outside the house premises, standing near my mom in the kitchen, etc. On the contrary, I had many privileges like waking up late, having many toys and dolls, mom feeding food with her own hands till a very later age (sometimes even now), etc. That was me- an over-protected, pampered and over-focused single child of my parents!*

*Life teaches us all those facts and feelings which our parents once felt and reacted to in the past.*

*NOW, I am a mother. As I look back and think of those stages of life I crossed, some of which I hated, some of which I loved and enjoyed, I realize -Journey from being a small girl to a Mother taught me a lot of things. Everyone would learn that. Every individual would miss those “Then” moments of life.*

*My mother was a teacher, with an only child to raise. Both my parents were working, being able to give less time to me, hence more concerned about me.*

*And today I am a teacher with an only child for whom I am concerned. So, this is how I can relate my “**Then and Now moments**” and realize, how wonderfully my parents have raised me!*

## Firstborn

*Being the eldest child in the family puts you in a unique position. Your life changes the day your parents introduce you to your younger siblings and from then onwards, you are always expected to set the perfect example for every kid in the family. Though you get to dominate your siblings, scare them with all the crazy stuff (the most common one being—"you were picked from a dustbin!").*

*Telling my own story here as I am the eldest daughter in my family, with a younger brother and sister. To be very honest, it is the best thing that could happen to me. Being the eldest child comes with many perks, but also responsibilities you need to undertake. There are often times the younger ones would copy what I do and pick up some of the habits without knowing.. Eldest one sets the standard for the younger siblings and realizes that her actions are observed closely by impressionable eyes. This accountability often instills in her a drive to act respectably and responsibly. Perhaps this innate sense of responsibility is common in "firstborns." The firstborn of one's mother is referred to in the Bible (Exodus 13:2) as one who "opens the womb" of her mother.*

*I am also the go-to person when my parents need help doing something. I am often stuck with tasks like taking care of the small problems of my younger siblings or house chores. I am certainly responsible for helping them with their projects and homework. I am also the babysitter especially when my parents aren't home. There are also times where I sometimes feel that the blame is always on me rather than my younger siblings. But complaining doesn't change anything. After all, I am the eldest one and my parents trust me more.*

*On a serious note, the bond you share with your younger sibling is an irreplaceable one. They know how to brighten up your day when you are feeling low, and they can fight the world for you! No matter how much you fight or argue with them, deep down you know your life would not have been this amazing without them, right?*

## School of Life

*Separation cries, and reluctant footsteps, Treading on a journey -  
One that you soon discover is life- long, Learning never stops.  
Home is where you begin your first day at school!  
And your first teachers provide you with tools*

*To overcome its numerous strifes.  
We graduate to our formal training  
And embark on a pilgrimage to the self  
Teachers serve as apostles guiding us along the way.  
Institutions of education are diamond mines,  
Patiently polishing virtuous beings, teachers  
Shaping their precious gems,  
Planting firm roots of character in us,  
From which we stem.*

*We are little saplings as we begin,  
And as we grow, thousands of us  
Leaves we add to the tree of knowledge!  
Teachers have sown many such forests.  
The tree of knowledge is evergreen,  
Fruits of experience it gives to all,  
For knowledge to transcend time and  
be passed on! Separation, cries and halted footsteps,  
The journey comes to an end - One that was  
filled with several teachings,  
Learning that never ends.*

## भय को त्यागो, सामर्थ्य पर जियो!

अपने महल के सबसे ऊँचे शिखर पर खड़ा व्यक्ति, उसे भी एक 'भय' सा होता ही है। भय, उसके नींव के हिल जाने का। भय, पतन हो जाने का और इसी कारण से वह अपने जीवन का संपूर्ण आनंद नहीं ले पाता।

किंतु, कभी किसी पेड़ की डाली पर बैठे किसी पंछी को देखा है? क्या उस डाली के हिलने से उसे गिरने का भय होता है? नहीं! जानते हैं क्यों? क्योंकि उसे अपने पंखों पर विश्वास होता है।

इसी प्रकार हम में से अधिकतर लोग किसी-न-किसी की सहायता से ऊँचाई पर पहुँचते हैं। किसी की सहायता से सफलता प्राप्त करते हैं। किंतु सफलता का आनंद केवल वही प्राप्त कर सकता है, जिसे गिरने का, अर्थात् पराजय का 'भय' न हो।

इसलिए किसी की सहायता पर नहीं, स्वयं के सामर्थ्य पर विश्वास करो। भय को जड़ से उखाड़ो और अपने सामर्थ्य का बीज बोओ।

## खूबसूरत हुई दुनिया!

मुझे लगता है कि इस दुनिया में प्रकृति की खूबसूरती से बढ़कर कुछ और नहीं है। एक ओर जहाँ पूरी दुनिया कोरोना जैसी भयंकर महामारी से जूझ रही है, वहीं दूसरी ओर हमें प्रकृति के सौंदर्य का दीदार करने का मौका मिला। लॉकडाउन की वजह से जहाँ लोगों को परेशानी उठानी पड़ रही है, वहीं प्रकृति और पर्यावरण को बहुत लाभ हुआ है। कई सालों बाद लोग इस दौर में चहचहाते पक्षियों की आवाज़ सुनकर आनंदित हो रहे हैं। वायु प्रदूषण कम होने से शहर का वातावरण बिल्कुल साफ़ हो गया है। जिसका असर ये हुआ कि जालंधर से हिमाचल प्रदेश के धौलाधार पहाड़ दिखने लगे हैं। लोग स्वच्छ नीला आसमान, दुर्लभ पशु-पक्षी और शुद्ध हवा को महसूस कर रहे हैं। दुनियाभर में प्रदूषण में कमी आने से ओज़ोन परत पर भी असर दिखाई दे रहा है। अंततः मुझे लगता है कि प्रकृति मनुष्य के जीवन का आधार है और लॉकडाउन प्रकृति और वन्य जीवों के लिए वरदान साबित हुआ है।

## कभी हार मत मानो!

हार मानना एक बीमारी की तरह है। जो बहुत धीरे-धीरे फैलती है। यह आपके आत्मविश्वास को नष्ट करके आपको लगातार कमजोर करती है। इसलिए यदि आप इस बीमारी से संक्रमित हो गए हैं और इसका इलाज करवाना चाहते हैं, तो अपने जीवन में कभी हार मत मानो। निरंतर प्रयास करते रहो जब तक जीत नहीं जाते।

हर्षिता प्रिया एस. – VII A

## ‘आत्मविश्वास’

किसी भी सफल करियर में एक महत्वपूर्ण घटक है— ‘आत्मविश्वास’। वास्तव में, एक सामान्य जीवन में भी यह उतना ही महत्वपूर्ण है। यह स्वयं पर ‘विश्वास’ है जो आपको, अपनी कल्पना को साकार करने की दिशा प्रदान करता है। यह हमारे अंदर चुनौतियों का सामना करने की शक्ति पैदा करता है। जब हमारे पास दृढ़ आत्मविश्वास होता है, तो दूसरे भी हमारी शक्ति को महसूस कर पाते हैं। इसके विपरीत यदि हमारे अंदर आत्मविश्वास की कमी है, तो हम हमारी मंज़िल पर डगमगाने लगते हैं।

विद्यार्थी जीवन में आत्मविश्वास एक महत्वपूर्ण हिस्सा है। एक विद्यार्थी को आत्मविश्वास से भरा होना चाहिए। साथ ही यह भी सत्य है कि सभी बच्चे एक समान नहीं होते हैं। अतः उनके अंदर आत्मविश्वास पैदा करना व आत्मविश्वास को बढ़ाना ही एक सच्चे अध्यापक का कार्य है। उनसे बात कर, उनकी रुचि को जानकर सही मार्गदर्शन करना ही अध्यापक का सर्वश्रेष्ठ कार्य है। नकारात्मक विचारों को दूर करने में सहायता करनी चाहिए व सकारात्मकता की ओर बढ़ाना चाहिए। उनके विचारों को सुनकर उनके आत्मबल को यथासंभव सहयोग प्रदान करना चाहिए।

## पेड़

पेड़ हमारे दोस्त हैं। पेड़ बहुत हरे-भरे होते हैं। पेड़ वातावरण को ठंडा रखते हैं। पेड़ों से हमें ताज़े फल मिलते हैं। पेड़ों के कारण वर्षा होती है। पेड़ हमें छाया और सुरक्षा प्रदान करते हैं। पेड़ हमारे वातावरण से वायु प्रदूषण कम करते हैं। इनके बिना हम जीवन की कल्पना भी नहीं कर सकते हैं। पेड़ों का हमारे जीवन में बहुत महत्वपूर्ण स्थान है। पेड़ ऑक्सीजन देकर हमारे पर्यावरण को शुद्ध करते हैं। इसलिए हमें इनकी रक्षा करनी चाहिए। हमें पेड़ों को कभी भी काटना नहीं चाहिए।

पेड़ लगाओ, जीवन बचाओ!

इला पंत – IV D

## ‘गंदगी मुक्त मेरा गाँव’

शहर के लोगों को इस बात का अहंकार है कि वे सबसे ज्यादा पढ़े-लिखे हैं तो वे गाँव के लोगों से भी अधिक समझदार हैं। परंतु हर बार ऐसा नहीं होता। भारत की उन्नति के लिए भारत सरकार ने बहुत-सी योजनाएँ बनाई हैं, उनमें से एक है ‘स्वच्छ भारत अभियान’ जिसका मेरे गाँव वालों ने पूरी तरह से पालन किया और मेरे गाँव को गंदगी मुक्त बना दिया।

मेरे गाँव में किसी तरह का प्रदूषण नहीं है। लोग रास्ते पर कूड़ा नहीं फेंकते। हर गली में कूड़ादान रखा गया है। अगर कोई भी रास्ते पर कूड़ा फेंकता है, तो उसे २०० रुपये का जुर्माना भरना पड़ता है। आज मेरे गाँव के रास्ते बिलकुल साफ़ हैं। हर घर में शौचालय है। सारी सड़कें पक्की बना दी गई हैं। सड़क के किनारे नालियाँ बनाई गई हैं, जिससे गंदा पानी सड़कों पर ना फैले। सफ़ाई कर्मचारी सफ़ाई का पूरा ध्यान रखते हैं। गाँव के लोगों के अथक प्रयासों के कारण मेरा गाँव स्वच्छ, सुंदर और स्वस्थ बन गया है।

केवल अधिक ज्ञानी या पढ़े-लिखे होने से ही हम सफल नहीं बन जाते। हमारी धरती को स्वर्ग बनाने की परीक्षा में सफल होने के लिए सभी का सहयोग, जागरूकता, कर्मठता तथा कर्तव्यनिष्ठा की आवश्यकता है। भगवान ने सृष्टि का निर्माण करके मनुष्यों को सौंपा है, उसकी रक्षा करना हमारा कर्तव्य है। ‘स्वच्छ भारत अभियान’ हर एक घर से शुरू होना चाहिए, तभी वह पूरे देश में फैल जाएगा।

भारत के हर नागरिक को स्वच्छ भारत अभियान का प्रारंभ अपने घर से ही करना चाहिए ताकि कल देश का हर नागरिक मेरी तरह गर्व से कह सके कि मेरा गाँव या शहर गंदगी मुक्त है और मुझे आशा है कि एक दिन ऐसा आएगा जब हम सब मिलकर गर्व से कहेंगे— ‘हमारा भारत गंदगी मुक्त देश है।’

जय हिंद, जय भारत!

मैत्रेयी अमृता – X A

## लालची शेर

जंगल में गर्मी के मौसम में एक शेर अपनी गुफा से निकला क्योंकि उसको बहुत भूख लगी थी। उसको सामने एक खरगोश दिखा और उसने तुरंत उसको अपने पंजे में कैद कर लिया। उसने कुछ हिचकिचाहट के साथ सोचा “इससे मेरा पेट नहीं भरेगा।” इसी बीच शेर को थोड़ी दूर में भागता हुआ एक हिरन दिखाई दिया। हिरन को देखते ही शेर खुश हो गया और वह तुरंत खरगोश को छोड़ कर हिरन की तरफ भागा। हिरन आहत पाते ही वहाँ से भाग गया तब तक खरगोश भी वहाँ से भाग गया। खरगोश को भी वहाँ ना पाकर शेर बहुत दुखी हुआ।

**सीख-** जितना अपने पास में हो उससे संतुष्ट रहना चाहिए, दूर की चीज़ों के पीछे भागने से अपने पास की चीज़ भी खो जाती है।

## कश्यप स्वेदा – IV B

## मेहनत

मेहनत हमारे जीवन का सबसे महत्वपूर्ण अंग है। मुकेश अंबानी, विराट कोहली, बिल गेट्स, ऐलन मस्क सभी ने अपने-अपने क्षेत्रों में एक ही दिन में तो स्वर्णिम स्थान प्राप्त नहीं किया। बल्कि दिन-रात मेहनत कर ही ये सब बने हैं, जो आज ये हैं। मेहनत से ही आज का संसार चलता है। हम सभी को अपने व अपने परिवार की भलाई के लिए मेहनत करनी चाहिए। सभी क्षेत्रों में आगे रहने के लिए मेहनत करना अनिवार्य है। अगर हमें सफलता चाहिए तो जी-तोड़ मेहनत करना आवश्यक है। कहा गया है कि “मेहनत का फल मीठा होता है।” यदि हमें सफलता चाहिए तो मेहनत भी हमें ही करनी होगी। जब हम काम करते हैं तो फल भी हमें मिलता है व उस काम को करने का सुकून भी हमें ही मिलता है। इसलिए मेहनत कर सदैव अपने जीवन को सुखमय बनाने का प्रयास करना चाहिए।

“मेहनत करो, सुखी रहो।”

## सदाचार

‘विद्या का सार है सदाचार, अहिंसा, सत्य, पुरुषार्थ हैं सदाचार का आधार।’

सदाचार ही वास्तव में जीवन का सार है। संसार का बड़े-से-बड़ा खज़ाना, महान साम्राज्य, कोई भी वस्तु चाहे कितनी मूल्यवान क्यों न हो, चरित्र के सामने उसका कोई महत्त्व नहीं है। धन से श्रेष्ठ स्वास्थ्य है, स्वास्थ्य से श्रेष्ठ चरित्र है। कहा जाता है कि यदि धन गया तो कुछ नहीं गया, यदि स्वास्थ्य गया तो कुछ गया, लेकिन यदि चरित्र गया तो जीवन ही नष्ट हो गया।

सदाचार दो शब्दों से मिलकर बना है— सत्+आचार जिसका अर्थ है— श्रेष्ठ आचरण। मन, वचन और कर्म से सदाचार का पालन करने वाला व्यक्ति सदाचारी कहलाता है।

सदाचार में अनेक गुण समाहित रहते हैं, जैसे— सत्य आचरण, श्रेष्ठ व्यवहार, अच्छा चाल-चलन, पवित्रता, उदारता, नम्रता, प्रेम, ईमानदारी आदि। सच्चरित्रता के बिना विद्वत्ता, शक्ति और धन मूल्यहीन है।

भारत में अनेक सदाचारी महापुरुषों ने जन्म लिया है; जैसे — पुरुषोत्तम राम, विवेकानंद आदि। इन महापुरुषों ने अपने चरित्र से इतिहास के पन्नों को उज्ज्वल किया है। वहीं रावण, कंस जैसे दुष्ट व्यक्ति सदाचारहीन होने के कारण घृणित बन गए।

आज समाज में हम अपने आस-पास ऐसे कई लोगों को देखते हैं, जो सफलता, धन और उँचा पद पाने के लिए गलत आचरण करते हैं। भले ही उन्हें कुछ समय के लिए सफलता मिल जाए पर ऐसी सफलता शाश्वत नहीं होती।

सदाचार ही समाज में उन्नति, मान और सुख की सीढ़ी है। अतः हमें हमेशा मन, कर्म और वचन से सद्व्यवहार करना चाहिए।

## मुझे तुम्हारी याद आती है 'स्कूल'

याद आ रही है,  
याद आ रही है,  
अब स्कूल की याद आ रही है,  
बहुत दिन हो गए घर पर,  
अब स्कूल तुम्हारी याद आ रही है।  
कोरोना ने दूर किया हमें,  
पर अब जल्दी मिलने की तैयारी चल रही है,  
ऑनलाइन क्लास तो चल रही है,  
पर अब दोस्तों के साथ बैठकर,  
पढ़ने की इच्छा हो रही है।  
पहले छुट्टी के लिए तरसते थे,  
अब घर पर रहने से डरते हैं,  
अब भी स्कूल प्रतियोगिता के लिए डाँस करते,  
पर दोस्तों की तालियों के लिए तरसते हैं।  
याद आ रही है,  
अब स्कूल की याद आ रही है,  
हो गए घर पर बैठे-बैठे बोर,  
अब स्कूल की याद आ रही है।

## मेरा सपना मेरा लक्ष्य

वक्त के साथ बदलते सपने,  
सबके अलग होते हैं सपने।  
किसी का एक ही है सपना,  
तो किसी का है, सपनों का ढेर।  
बचपन वाला मासूम सपना,  
बिना लड़खड़ाए चलने का सपना।  
एक छोटा-सा खिलौना पाने का सपना,  
मेले में जाने का सपना,  
मनपसंद मिठाई खाने का सपना।  
उम्र के साथ बदलते सपने,  
किसी का है शादी का सपना,  
किसी का है गाड़ी और बंगले का सपना।  
किसी को नौकरी पाने का सपना,  
तो किसी का है रुपयों के ढेर पर सोने का सपना।  
इस रंग बदलती दुनिया से न डरो तुम,  
रास्ते चाहे जितने भी कठिन हो,  
न बदलो अपने लक्ष्य को तुम,  
रखो भरोसा अपनी मेहनत पर,  
मेहनत से पूरा होता है हर सपना।  
जिंदगी के साथ बदलते सपने,  
सबके अलग होते हैं सपने,  
दर्द और त्याग से जुड़ा हुआ सपना,  
ईमानदारी और निरंतरता से भरा हुआ सपना।  
जीवन में अपने लक्ष्य को पाने का एक ही सपना,  
मेरा सपना, मेरा लक्ष्य।
